What is Yokosuka Oktoberfest?

Oktoberfest is the world's largest beer festival, held every autumn in Munich, Germany, dating back over 200 years.

Carrying on that spirit, Yokosuka will be holding its fourth annual Oktoberfest this year. It will feature German beers available for the very first time in Japan, an all-you-can-drink VIP section, and a new simple "Starter Ticket" system.

It wouldn't be an Oktoberfest without German folk music bands bringing the festivity! Come and enjoy Yokosuka Oktoberfest in the lovely spring atmosphere of Verna Park.
